

Minutes Plainfield Planning Commission

Monday February 15th 2021

Present: Will Colgan, Karen Storey, Baylen Sky, Paula Emery

Call to order

Approval of minutes

Karen made the motion to approve the minutes from the last meeting. Baylen seconded the motion and the motion was approved.

Will asked about any members who can be available for the Select Board Hearing on the Town Plan. Karen won't be able to make it. Will said he would be attending. Baylen said he felt bad about missing some of the Planning Commission meetings and didn't want to slow the work of the commission. Will said that having additional voices on the commission is always important and his time at the meeting is a valuable part of the work.

Paula reported that Clare Rocke is helping the Plainfield Coop apply for a grant to help out during the closure of the bridge during the Rt 2 construction. It is a USDA Rural Business Grant feasibility study. She thought it was for the short-term bridge closure but could also possibly help with longer term prospects for the Coop.

The Central Vermont Regional Planning Commission has proposed that it become a Clean Water Advisory Committee which would help it partake in the Winooski Watershed Protection area. This allows the CVRPC to take part in all government levels of work that involve the watershed.

Karen mentioned a few zoning enforcement issues that may be coming up in the next month or so which will involve writing letters to landowners and seeing how they respond.

The meeting was adjourned at 7:40
