

Plainfield Special Select Board Meeting
April 24, 2021
Minutes – Approved

Present electronically were Select Board Members Tammy Farnham, Sasha Thayer, and Jim Volz (chair). Also present was Plainfield Fire Chief Greg Light.

The meeting commenced at 8 AM.

No changes were made to the agenda.

At issue was approval of the amended contract with Randall Contracting, Inc. for the repairs on the Fire House. The contract now incorporates details for the project set out in Attachments A, B, and C and allows 14 days for payment of invoices submitted to the Town.

Tammy Farnham moved that the contract be approved and the motion passed unanimously.

Sasha Thayer moved that Jim Volz be authorized to sign the contract on behalf of the Select Board and the motion passed unanimously.

Public Comment: Greg Light mentioned that in the lot across from the Opera House, after they took the house down, there is a stone wall from the foundation, about 20 inches high, Greg is concerned about someone leaving the Opera House and walking straight over that and taking a pretty good fall. Tammy noted that the property is owned by the Friends of the Opera House. Jim Volz recommended that Greg speak with Keith Swann or David Strong about this and Greg said he would do so.

Tammy Farnham moved to adjourn the meeting and the motion passed unanimously. The meeting adjourned at 8:08 PM.
