

Plainfield Planning Commission Meeting

July 6th 2020

Present: Will Colgan, Jesse Cooper and Karen Storey

Town Plan Hearing

Karen made the motion to approve the minutes of the May 18th 2020 minutes.

Jesse seconded the motion and it was approved by vote.

We discussed the protocol for conducting the hybrid hearing and who would moderate from where and who would be at the Opera House.

We still need to find the protocol for the use of the Opera House and when the building will be open.

Karen will look at what the regulations are for school cleaning and interpret that for the Opera House.

The meeting was adjourned at 7:35. The next meeting is Monday July 20th 2020 at a Zoom scheduled meeting.
