

**Plainfield Water/WasteWater Commission
Meeting Minutes for May 17th 2022**

Present In Zoom Session: Tim Phillips, Carol Smith, Greg Chamberlin, Josh Pitts, Mary Lane, Tristan Macgregor-Stewart

5:15 Meeting called to order

Review/approve agenda

Agenda approved with addition of discussion of AT&T and the cellphone under other business

Review/adopt minutes

Approved minutes for April 19th as written

Clerk's financial report

Carol has been busy, doesn't have anything to report.

Change Of Use, Maplefields' grease trap

Maplefields is relocating the grease-trap. The Commission gives it approval for this upgrade. The operators will contact Maplefields and let them know they want to see the final pipe before it is buried for good.

Chief Facility Operator's report

The focus has been on getting the Assistant Operator hired.

Nathan Hart hasn't done anything with his sewer connection yet. Greg has looked at the plumbing design for the new connection and offered criticisms. This is supposed to be done next month.

There is a water leak next to Nathan Hart's place. This is apparently coming from the neighbor's water meter, well beyond the curb-stop. The neighbor says this occurred after the fire department did a training using the nearby hydrants.

For the School Street waterline replacement project, A&E is coming out to do some borings to determine what the subsurface material is.

Tristan is seeing some stuff coming in the new regulations that will require changes and more paperwork.

Report on hiring Facility Operators

Mary read through the resumes sent to the Commission.

Aiming for May 25th and May 31st and June 1st from 3:30PM to 6PM as scheduled meeting times.

Greg/Tristan will contact applicants to schedule interviews.

Approve warrants

Warrants for 04/20/22, 04/22/22, 04/29/22, 05/04/22, 05/06/22, 05/13/22 and 05/17/22 were approved

Other business

The cellphone the operators have is with AT&T. Greg wanted the phone replaced. He wasn't on the approved list so they couldn't do it. Mary was on the list so she tried to help. Mary had an extended stint in customer-service hell trying to get things working. Still don't have things resolved. Mary will call again.

The next meeting was scheduled for June 21st at 5:15PM as a ZOOM session.

The meeting adjourned 6:40PM
