Asset Management Plan Review

The latest revision of the Asset Management Plan was reviewed.

Things look good.

Megan Young said the Commission needs to adjust/rephrase a copy of the Asset Management plan letter from A&E to be from the town and to list things that we will actually do instead of what A&E suggests. This rephrased letter should be sent to her and would be what we should need to get loan forgiveness for the Asset Management loan.

Adjourn meeting

The meeting adjourned at 2:25 PM
