Review/adopt minutes

Approved minutes as written for 11/16 and as edited 12/03

Clerk's financial report

Nothing is adverse at this time. Carol says we are doing OK for money at this moment.

Waste Water Budget

Reviewed items. Added \$12,000 to the Assistant Operator line to handle having a 3rd operator for three months for training before Greg retires.

Water Budget

Reviewed items. Rate calculation comes out to \$560 per year. This is a 6% increase.

Chief Facility Operator's report

Level indicators are in the tanks at the plant. Taplin is hauling sludge and Greg is pleased so far. Emergency generator should be serviced some time this month, but Greg hasn't seen anything yet.

Meet with Jason Booth of A&E re: Infrastructure Bill Money

6:22PM Wayne Elliot joined meeting

6:26PM Jason Booth joined meeting

The local ARPA funds do have one of their targeted outcomes as water or wastewater work. Wayne estimated about \$375,000-\$400,000 is the amount that the town will probably receive based upon population.

We need to get on the priority list for funding from State for the school street project and anything else we can organize.
